REPORT FROM THE EXECUTIVE OFFICER

REPORT FROM THE EXECUTIVE OFFICER

Ramon Curiel, Executive Officer, reported that he attended the two-day Board of Education Workshop November 8 and 9, 2010. He continued saying that various departments gave presentations and updates to the Board of Education Members. Mr. Curiel shared with the Commissioners a note from Superintendent Steinhauser congratulating the Commission on the Annual Report presentation. Mr. Curiel explained that all the department presentations and updates are located on the district web site. Mr. Curiel provided a handout to the Commissioners regarding the District budget, which was created by Business Services and presented at the workshop.

Vice-Chairperson Mulkey complimented staff on the fine report. Chairperson Ulaszewski praised staff saying that it was an excellent presentation.

Mr. Curiel continued his report congratulating CSEA Chapter President, Mary Brown, Unit A Vice President Adrienne Rambo and Unit B Vice President Dan Ewaskey on a resounding "yes" vote for their respective contracts. Mr. Ewaskey praised the mediator and team for their efforts. Ms. Rambo recognized that this was the first time she has known of a split vote between the Units which finally resulted in a yes vote for the contract.

Mr. Curiel stated that this is the first time in twelve years that Long Beach Unified has had a Commissioner opening. He reported that the Commissioners and the Superintendent agreed to open recruitment for a Commissioner. Mr. Curiel asked Personnel Analyst Marilyn Balmer to summarize the recruitment packet. Ms. Balmer gave the Commissioners and CSEA leadership a copy of the application packet. The packet is accessible on the District website, but will not be accessible through NEOGOV. Ms. Balmer reported that she worked with the Public Information Office to create a Press Release and also to advertise the recruitment. She said that the application is posted on the District web site and the Personnel Commission web site.

Mr. Curiel asked each of the managers present to give a brief update on their unit's activities.

Ms. Balmer reported that Recruitment and Testing is coordinating several recruitments. She is currently working with High School Principals to modify the Plant Supervisor High-School exam.

Susan Leaming, Personnel Analyst, invited the Commissioners to the Staff Holiday luncheon next month.

Dale Culton, Certification Services Manager, reported that fingerprinting of the Walk-on Coaches for High Schools is nearly complete with only make-up appointments left to go. He explained that the Hiring Freeze Committee approved 25 Instructional Aide – Special positions. This creates a reverse domino effect where reduced or laid off employees are recalled to work.

Mary Cates, Human Resource Supervisor, reported that Summer School may possibly be the same as last year, for Special Education students only. She thanked staff for their support during her vacation and jury duty.

Mr. Curiel asked Mr. Culton if employees understand the furlough day process. Mr. Culton explained that the unit has received very few questions.
